## Suggested Preamble to the Twelve Steps

The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve their common problems. We believe alcoholism is a family disease and that changed attitudes can aid recovery.

Al-Anon is not allied with any sect, denomination, political entity, organization or institution; does not engage in any controversy; neither endorses nor opposes any cause.

There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions.

Al-Anon has but one purpose: to help families of alcoholics. We do this by practicing the Twelve Steps ourselves, by welcoming and giving comfort to families of alcoholics and by understanding and encouraging the alcoholics.
