

We need your HELP for ...

Christmas in October

We are asking each Group in Area 64 to make up a basket —small or large — themed or not — for our raffle. Bring it to the October 12-13 Assembly. There you can buy the winning ticket! (Tickets: 1 for \$1 OR 6 for \$5)

Our sales tables will be loaded with handcrafted items made especially by and for you. Help us by creating something special ... and PLEASE put a reasonable price on your items.

This is the only fundraiser we have at Area Assembly.

We need fundraisers to help spread the message and to keep our program going. Funds raised here will go to help bring the great speakers we will have at our Convention in Birmingham, February 1-3, 2019.
